

Beaver Falls Classroom News

December 21, 2018

Our field trip to Steeple View on the 14th was a great success! The residents, children, staff and volunteers really enjoyed Christmas caroling and handing out the ornaments that the children made. We want to give an extra special thank you to our volunteers Kassidee Rhone and Mr. Bill Burkhard for singing and playing guitar while we caroled. We appreciate all the parents and grandparents who were able to join us at Steeple View. The kids were excited to see some familiar faces in the crowd!

Twiggle:

Over the last two weeks, Twiggle has been talking to us about the importance of giving to others, as a way of encouraging the children to be kind and to give to others, Twiggle had each child choose from an assortment of stuffed animals and wrap it for a friend. They were able to hand out their gifts and watch and share in the excitement as their friend opened their gift! It was fun to watch the children experience the gift of giving.

Nutrition:

Our class participated in making banana bread for our bus drivers and therapists as a thank you for all they do for us and to further encourage kindness and giving.

Christmas Party:

The time our class has been preparing for all month has finally arrived! The children have worked hard making special gifts for their families. We hope that you all loved them. A huge thank you to Mr. Miller for preparing a wonderful Christmas feast for us all! Thank you to our special guest Santa Clause and to Kassidee Rhone and Mr. Burkhard for once again entertaining us with beautiful Christmas Carols!

Dates to Remember:

December 24-January 1st: Christmas Vacation.
Head Start will resume on January 2, 2019.

Happy Holidays and Happy New Year
from all of the Head Start Staff
