Field Trip Fun

The children had the opportunity to visit the Post Office, Library and the K of C bowling alley in Croghan this past week.

We learned about buying stamps, mailing a letter and how long it takes to deliver a letter. Each child purchased a stamp and mailed a letter.

It was fun listening to a story at the library and completing a craft activity of a melted snowman.

We had a great experience with bowling! What a great way to wrap up our study on balls.

Upcoming Learning

After our mid-winter vacation, we will be starting a Clothing Study and a focus on Dr. Seuss. During this time we will have something special on every Wednesday throughout the month.
