Clothes Galore!!

We continue to explore our way through the clothing study. The past two weeks we have been talking about the features of clothes and how we take care of clothes. The children have been busy washing clothes in the dramatic play area. We have been counting buttons, zippers and snaps, then creating some graphs.

During large group times, the children have been discussing the different types of clothing and materials that they are wearing.

Caiden's mom came in to give a demonstration about how she makes t-shirts using a hot press.

Miss Rosie taught us how to sew and we were able to make our own pillow. We learned about flannel. IT WAS SO MUCH FUN!!!!

Dr. Seuss

It has been a fun month long celebration of Dr. Seuss. We read the stories, Crazy Hair Book, and One Fish, Two Fish, Red Fish Blue Fish and enjoyed all the craziness with crazy hat/hair day and dress in red and blue day.

St. Patrick's Day Fun

The sneaky little Leprechaun left the children some clues to hunt for the hidden treasure he had left for them. They all worked well together to figure out each clue, resulting in the finding of a basket of treasure hidden outside a rainbow painted window!!

Nutrition

To go along with our Dr. Seuss Celebration Mr. Miller made the children something to eat “in a box with a fox”, or “on a boat with a goat”. It was Green Eggs and Ham. The children were served green deviled eggs and ham. It created quite the stir!! Some children were eager to try it while others preferred to not taste it.

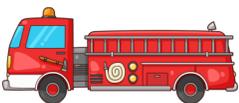

To go along with the story, The Mitten, the children sorted and counted mini animal crackers onto a mitten shape.

Fire Safety

Thanks to the Croghan Fire Department. Children were able to learn so much about fire safety and what fire people do and wear. They showed us all the gear each fire person has to wear and talked to the children about not being scared when they see a fire person. We were able to look at the tools that were on a fire truck. We got super excited when we were able to sit in the fire truck.

The Fire people gave them homework to do... Children are to go home and ask mom and dad if they have any smoke detectors in their homes.

A Friendly Reminder

Kindergarten Registration will be held Thursday, March 28th and Friday, March 29th.

Spring Break Vacation :
April 15-22, 2019

We would love to have parents or family members come into the center to participate in activities with the children.
