Preventive Health Services

This preventive health program is designed to promote healthy lifestyles, prevent disease and reduce the impact of disease on county residents. This program includes:

Maternal Child Health Home Visiting Program – offers home visits by a nurse to high risk pregnant or breast-feeding women, new mothers or newborn infants at no charge.

Childhood Immunizations – required immunizations are free of charge to children who qualify; some third party billed. Clinics are held every Tuesday from 9 a.m. – 10:30 a.m. and the first Wednesday of every month from 3 p.m. – 5 p.m.

Adult and Travel Immunizations – routine immunizations are available for a fee during regularly scheduled clinic times; some

third party billed directly. Travel immunizations are available for a fee, by appointment.

Childhood Lead Poisoning Prevention – offers case management of children with elevated lead, education to the public and service organizations. Free lead testing for all children ages 1-4 regardless of insurance status; by appointment only.

Communicable Disease Control, Rabies Prevention, West Nile Virus Prevention – receives reports of all reportable diseases, monitors the community for disease, and offers education and treatment if indicated. Free rabies pet clinics 3 times per year.

HIV and Hepatitis C Counseling and Testing – free anonymous and confidential counseling and testing offered; by appointment only.

Tobacco Cessation – trained cessation counselors available to offer education and support by appointment.

Health Education – offers free educational sessions to businesses, school and other organizations about a variety of health topics.

Chronic Disease Prevention – wellness clinics offered at industrial sites and Senior Nutrition sites. Offers diabetes risk assessments, nutrition education and tobacco cessation. Chronic disease self-management Program and diabetes prevention programs available to the public at no charge.

Emergency Preparedness and Response – assists with County response to emergencies and offers public education regarding natural or biological emergencies.

Assistance to apply for Child Health Plus, Medicaid and to navigate the NY State of Health Marketplace. Help to find a health insurance plan that is right for you, see if you can get help with costs and to apply for and enroll in your health plan. Day, evening and Saturday appointments available in a variety of community locations throughout Lewis County. Please call for an appointment in a location close to you.

Non-Emergency Medicaid Transportation Program

1-800-430-6681

PO Box 1200

Syracuse, NY 13218

Services: A centralized regional system for all Lewis County participants. Transportation is directed to a Medical Answering Service (MAS) located in Syracuse. MAS can be reached 24/7. At least a five day notice is required to set up a non-emergency transport. However, there are exceptions when accommodations can be made with less notice. Also, all client or provider complaints are to be directed to MAS and you will be referred to a supervisor.

Birnie Bus will still provide transportation services, but will be authorized to do so by MAS. The dedicated phone number for Birnie Bus will direct clients to call MAS.

Volunteer Transportation Center (VTC) still provides transportation services, but will be authorized by MAS. VTC provides 24/7 coverage. Due to the call center now being available 24/7 it is possible for weekend discharges from the hospital to get service.

Medicaid patients who request reimbursement for driving their own vehicle will also need to call MAS for authorization and will be sent a packet with the “new” required forms.
