## In the Classroom

We began a new study about clothing. During this investigation, we will learn about specific features of our clothing, how people care for clothing, how clothing is made, where people get clothing and special clothing that people wear for work. There is a clothing store in the classroom and we are pretending to be customers and store clerks. It is fun to shop!

Children are practicing many math and literacy skills. They measured different sizes of clothing using a traditional measuring tape and manipulative clips to measure length. We completed a graph to compare how many of us were wearing clothing with snaps, buttons, zippers or laces.

We acted out the story of Goldilocks and the Three Bears after reading the story and we enjoyed pretending to be the Papa, Mama and Baby Bear. It was fun to change our voices to match the characters. Everyone did a really great job recalling the details and events as Mrs. Moore narrated. We hope to perform more stories in the future!

The classroom library has been stocked with many Dr. Seuss books. We completed rhyming clipboard activities and went on a rhyming scavenger hunt too.... All of us love to rhyme, ask me to rhyme with you!!

Miss Meghan from the Lowville Free Library visited our classroom dressed as The Cat in the Hat on Dr. Seuss's birthday. She read The Cat in the Hat and What Pet Should I Get?

We also read these books:

The Mitten

Goldilocks and the Three Bears

A Pocket for Corduroy Button, Button, Who Has The Button?

## Nutrition

We helped Mrs. Moshier make home made macaroni and cheese. It was fun to cut up the cheese and we learned that cheese is made from milk!

Children also continue to set their own placemats, serve and clean up at the end of our meals. They are so independent!

## Reminder

Please remember to give us a call when your child will be absent so we can mark attendance accordingly.

Thank You!!

## Upcoming Dates

**March 13th: Parenting Curriculum 3:30-5:00 pm @ Lowville Center**

**March 18th: Parent Committee Mtg. 11:00-12:00pm @ Lowville Center**
