September 26, 2018

The first weeks of school have gone well. Children are adjusting well to our classroom routine and learning all our classroom rules. We have learned about **BIG RULES** and little rules.

BIG RULES

- ♦ BE SAFE

Nutrition

Mrs. Moshier is our cook and the children helped her make homemade applesauce. They cut the apples and then took turns turning the food mill to make the sauce. We enjoyed eating the applesauce at breakfast. The last two weeks children have

Twiggle Time

We have introduced the children to Twiggles and his friends. This is our social-emotional curriculum called PATHS (Promoting Alternative Thinking Strategies) Twiggles and his friends are puppets that help children learn about feelings, self regulation, sharing, rules and other social

Learning and Fun

We had some fun with music and movement. We danced with scarves, played instruments, followed directions with a bean bag and did some great tapping with sticks.

Children worked hard in small group drawing pictures of themselves and making a hand with take five meeting time rules. Meeting time rules are to be quiet, use listening

Wow!

This week we went to the library. We met Miss Meagan, the librarian and she read two books about bees. We looked at other books in the kids room. Miss Meagan told us we could come with our parents to borrow books to read at home. Our class will be visiting the
