

Lyons Falls Classroom II News

December 10th, 2018

Hello family and friends. Welcome back from Thanksgiving break. We have been busy once again preparing for the month of December.

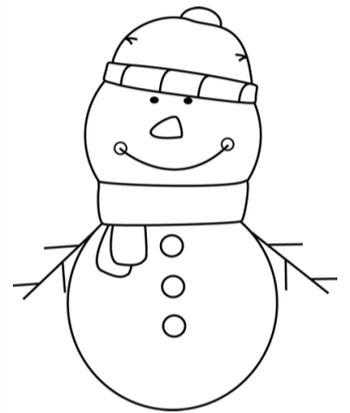

Can you believe how fast time is flying by?

We are preparing for our Christmas concert learning new songs that we are sure you will love.

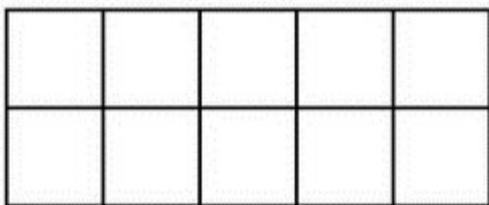

We have been focusing on snowmen and snow the past few weeks and have even been able to build a snowman outside! We also took a trip to the post office to mail out some Christmas cards to people in our community.

There are a lot of fun things planned for the whole month. Stop in and see us anytime, we love visitors and volunteers!

Don't forget to send boots, gloves and hats with your children; the days are getting chilly.

TEN FRAMES

We are always working hard on strengthening our skills to prepare for kindergarten. We have focused on coloring by numbers, ten frames, rainbow writing and searching for the number 8. We continue to practice our writing and spelling our first names and some children are even working on their last names. You would be so proud of your child's hard effort

During large motor time we have been really working our bodies. Most days we are able to get outside and play in the snow or go for a walk around our community. Other days we have a dance party, using drums, shakers and ribbons. We are always moving.

Songs:

Five Little Snowmen
Snow is Falling
I'm a Friendly Snowman
Penguin Action

Books:

Snowman Magic
There Was A Cold Lady Who Swallowed Some Snow
Frosty the Snowman
Footprints in the Snow

Nutrition

All the children have been helping Ms. Shorty clean vegetables and make dough for our pizzas. We are getting good at helping prep for our meals.

Dates to Remember
