

Lyons Falls Classroom II News

12/21/18

Focus:

Letter Sounds

We have been busy working on the letter sounds /s/ /w/ /h/ and have been sorting words by sounds. Everyone is getting good at hearing the first sounds in words.

Name Writing

The children have been continuing to learn how to spell their names. We practice spelling names before each meal and are now working on writing our names using a visual guide instead of tracing the letters.

Rhyming

We have been learning to rhyme sounds. The children are starting to get really good at rhyming the words they are given.

On colder days we have been inside working on our balancing skills, using a balance beam and stepping stones to walk across. We have learned that slow is better than moving our body fast.

SONGS

We have been busy practicing our holiday songs for our concert but some of our other favorite songs include.

We are the Dinosaurs

Driving in my Car

Rocket Ship Run

Peanut Butter

Goldfish

Goldfish (octopus)

NUTRITION

We had a chance to form our own pizzas and shaped our dough; the dough felt a little sticky. We enjoyed our homemade pizza and are looking forward to our next nutrition project.

Field Trip:

Thank you to all who came and braved the cold to join us on our field trip. We hope you enjoyed seeing the reindeer as much as we did. We know the children enjoyed themselves.

Holiday Concert:

Thank you to all who attended our first ever holiday concert. We worked hard and we hope you enjoyed our efforts as much as we did. We wish you a joyous holiday season filled with love.

REMINDERS:

December 24th- January 1st, Head Start will be closed for the holidays.

See you all on January 2nd!!

Please Have a Merry Christmas and a
Happy New Year.
Be safe and spread holiday cheer.
