Children have been busy making turkeys and preparing for a feast!

*Thank you, Thank you, Thank you...*

*...to all the families that joined us for the amazing Thanksgiving lunch. The children worked hard to prepare and decorate the church for everyone. We hope you enjoyed it as much as we did!*

### Parent/Teacher Conferences

*Thank you for taking the time to meet with teachers to review your child's progress and set new goals for your child to achieve.*

*Being apart of your child's education helps them to be successful in school and shows them the importance of education.*

### Looking Forward

We will be starting to prepare for the holiday season. If you have a family tradition you would like to share or an idea for an activity or project to make, please let us know.

Keep watch for future Christmas event flyers.

## Nutrition

Ms. Shorty has been busy in the kitchen making breakfast, lunch and snack. As she prepared our Thanksgiving lunch she asked us to use our muscles and skills to help her. **WE MADE THE PUMPKIN PIES!!!**

- First we rolled out the dough and placed it in the pie tin.
- Then Ms. Shorty showed us how to pinch the outsides to make it look fancy.
- Lastly, we put pie filling in our amazing crust and served it for dessert!

Everyone always enjoys it when we help Ms. Shorty prepare food.

We would like to say thank you to Ms. Corrina for all the help she has given us for the past couple of weeks. We are so thankful for our parent volunteers!

## Thankful

Thanksgiving time has provided opportunity for a lot of discussion about family and learning more about the word, THANKFUL. After learning about what it means to be thankful, the teachers asked the children what they were thankful for. The following is a list of what their answers were:

- Mom/Dad
- Grandparents
- Brothers and sisters
- School and teachers
  - Food
  - Houses
  - Toys
  - Swing sets
  - Clothes

## Family Project

Attached to this letter is a drawing of a holiday ball. We are asking families to decorate it and send it back so it can be on display in the classroom. Use your creativity and have fun decorating it with photos, drawings or other things that might represent your family and traditions!
