

Lyons Falls Classroom I News

December 21, 2018

Run, Run as fast as you can, you can't catch me I am the Gingerbread Man.
Can you guess what we have been focusing on? Gingerbread men and the letters Gg and Cc!

The holiday season is always fun and busy. This has proven to be no different for the children at Head Start. The elves in our classroom have been busy making lots of holiday surprises for their families.

Gingerbread men have filled the room for the last two weeks. We invited our grandparents to come and help make a gingerbread house because they are so good at building. This was fun and messy! There was a lot of creativity flowing, icicles hanging from the eaves, lake effect snow covering the roofs and, of course, candy to make the houses look fun.

Throughout the week, Grandparents joined us for a snack of gingerbread cookies and/or lunch.

At the end of the week, we visited the reindeer and Santa in Boonville.

We want to thank all the Grandparents who joined us for our fun filled week.

Holiday Concert

Our first holiday concert was AMAZING! The children worked hard to prepare for this event. We want to thank all the families who joined us, we know this is a busy time for all.

When we return from vacation, the children have requested to learn about animals like elephants, lions and penguins. With this request, a child said we can find them at the Zoo. So, with more conversation and brain storming, we will be turning the classroom into a zoo for a few weeks. If you have any shoe boxes, we would love to have them to make cages. We welcome any and all ideas you may have.

Reminders

Winter is upon us and it is important to dress warm. Many of the children sit in the front of the bus where it can be colder because of the door opening and shutting. We also go outside daily. We all love to get out in the fresh air and we will be going outside to play daily even if it is for ten minutes.

When your child wears boots to school, please send sneakers for them to wear indoors. This makes for less room in book bags. If your child needs a blanket for rest or a stuffed animal, they can leave one at the center. Please let us know if you wish to do this.

Book bags are getting full so please empty them over vacation. Thank you.
