

Lyons Falls Class I News

December 7, 2018

With Thanksgiving behind us, the classroom will be hopping with the Christmas spirit. The children will be working hard at creating different Christmas ornaments to decorate our classroom and tree.

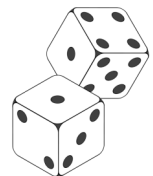

Small Group Activities

The children have created a Reindeer by cutting out the parts and gluing them together and played a bean bag proposition game with Mrs. Simonds.

The children worked on printing their name on light bulbs with an end result of a line of Christmas lights and practiced patterning to create a candy cane with Mrs. Hulbert.

Mrs. Delles had the children creating a string of lights using bingo dabbers. They had to use their counting skills to count the dots on a die that was rolled. The children also made paper Christmas trees by putting strips of green paper in order.

We are still looking for family recipes that you would like to share for our cookbook!

Looking Ahead

Dec 11th-14th: Grandparents Week!! Each day we will have a different event that grandparents can join.

Dec 14th: Field Trip to see Santa and his Reindeer in Boonville.

Reminders

Now that the snow is upon us please remember to send snow pants, coat, boots, hat and mittens each day as we will be going outside.

If you do not have any of these items please let us know and we can help you out.

Please check your child's folder each night. We send lots of important mail home.

Toys and extra items from home make backpacks very full and heavy, please be selective.
