Levers, screws and incline planes

Letter Review and Sound

House Keeping

The Head Start Hot Chocolate Stand has been open and ready for business and rooms have been filled with the smell of hot chocolate. The sensory table has been filled with hot cocoa mix and the children have been serving hot chocolate and cookies to their friends and teachers, and using a cash register to make change for all their customers. It has been a fun experience for the children, staff and visitors. It was enjoyable to hear, "Come get your Hot Chocolate! Its hot and ready", and then, "That will be 100 dollars".

Twiggle Time

Twiggle visited and shared with us how he tried to write the letters of his name but when he couldn't form the letter E, he decided to quit and never try again. Mrs. Pierce read a story about sticking with a task even when it is really hard for us.

When we read the story we were introduced to two new words; perseverance and succeed. We learned perseverance is when we don't give up and we keep trying even if it means we do it over and over and over again. Succeed is what happens when we accomplish a task.

All of the children encouraged Twiggle to not give up on trying to form the letters of his name and told him, if he perseveres through, he will succeed in the end.

Looking Ahead

Feb 15th Valentines Day Dance 6-7 pm

Feb 19-22 Winter Break. No Head Start.

We hope that you can join us for the Valentine's Day fun!!

Reminder: Outdoor play is great exercise and we go out to play when the temperature is 15 degrees or above. Please send snow pant, boots, winter jackets, a hat, and mittens every day. Throughout the winter several pairs of Head Start mittens have been sent home with children. We are getting low on having extra mittens, so please check to see if you have any to return. Thank you!
