

LEWIS COUNTY HEAD START

Lyons Falls Classroom I News

March 26, 2019

Parent support in a child's education is so important to a child's growth and success. The teachers want to thank you for taking part in the parent conferences. Finding the time to meet with us is not always easy with busy schedules. We appreciate you finding the time to do so.

As we look at the calendar, the end of the year is fast approaching and we will be looking to make a visit to kindergarten to prepare the children for the transition. Please reach out to us if you have questions or concerns.

REMINDER: KINDERGARTEN ORIENTATION is March 27th from 5-6:30 at South Lewis High School. Dinner will be served and important kindergarten Information will be provided.

We have begun a study on clothing for the last few weeks and will continue for a few more!

We recently read a book called The Girl Who Wore Too Much. In the story, the girl's parents gave her a lot and she realized she had too much, so she decided to give her extra dresses away.

After a long conversation about giving our unneeded or unwanted clothing away, the children and teachers decided to start a donation box in the classroom. Children are invited to bring in a few unwanted clothing items or toys to place in the box. We will collect items until spring break at which point we will be giving them to boys and girls who need them.

The children's excitement was heart warming. Smiles filled the room as they shared, "I have tiny shirts that I can't wear", "I have clothes I don't wear" and "I have a toy I don't want".

We are looking forward to filling our donation box!

The Art Room

WATER WATER WATER!!

We have a new water table and it has been fun.

With the clothing study we have been designing clothes in the art room through painting, drawing and using collage material.

We have designed some fabulous looking outfits!

Fine Motor

Cutting Fabric (denim is hard to cut!)

Drawing clothing

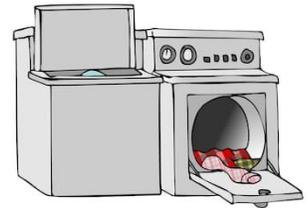

Writing our names

Spring is in the air but so is the snow. Please continue to send snow gear because we go outside daily. Some days we still need hats, mittens, boots and snow pants.

Housekeeping

The housekeeping area has been turned into a clothing store and laundry room.

Children have been busy buying clothing. They browse the clothing racks, make the perfect selection and then purchase the item.

After the purchase, they return "home", wash their new clothes in the washer and place them in the dryer or hang them on the line. They also iron and hang up the clothing.

This study has been fun and we have learned many things about buying, washing and ironing clothes. We strengthened our fine motor skills while using cloths pins and increased language skills to describe purchases made.

Reminder

No Head Start April 12-22 for
Spring Break

Happy Spring Break

Books:

The Girl Who Wore Too Much

Something from Nothing

Quinceanera
